MEDICAL**Headache.**

This distressing malady is caused by a run-down state of the health, and is often a forerunner of other and more dangerous diseases.

Brown's Iron Biters

cures headache by removing the cause of it; and this is the way it does it.

It purifies and enriches the blood, quickens the action of the kidneys, the liver and the bowels, and gently and pleasantly stimulates the digestive organs, and in fact thoroughly renovates and tones up the whole system—and you have no more headache. And besides it is pleasant to take, and will not stain the teeth nor cause constipation.

Is this not better than dosing yourself with disagreeable and dangerous drugs, which at the best can do no lasting good?

Don't be deceived by imitations. See the crossed red lines on the wrapper. Our book, "How to Live a Hundred Years," tells all about it; should be read by everybody; free for 1c stamp.
